IMPORTANT NOTES:

1. **All Students:** Due to a heavy demand for flight slots, anyone not utilizing their flight slot will lose that flight slot. Utilization is defined as not flying in the flight slot for three consecutive flights (excluding weather and maintenance).
 - a. Flight slots will be held for students for financial considerations so long as:
 - i. Mr. Hogue is notified as soon as a problem is recognized and,
 - ii. The period of inactivity will be two weeks or shorter
2. **All Students & Instructors:** Changes to the flight slots are to be approved and arranged by Brandy Erwine. E-mail any requests for a change to erwineb@hsu.edu
 - a. All flight slot changes must be initiated by the student with an explanation of why the change is necessary.
3. **TBA Students:** It is the responsibility of the student to schedule with their instructor. It is also the responsibility of the student to complete all lab assignments by the end of the semester.
4. If you do not have personal transportation, please call 230-5012 for assistance.

Primary Allocation of Aircraft

Intro to Aeronautics Lab -----	MXT-7
Private Pilot Certification Lab -----	MXT-7
Commercial Pilot Lab I -----	MXT-7
Instrument Pilot Certification Lab -----	MXT-7
