

# **Curriculum Program Administrator (CPA)**

## **Program of Study**

# Curriculum Program Administrator Program of Study

The mission of the Curriculum Program Administrator program of study is to provide knowledge and educational experiences for school leaders who are responsible for program development and administration and/or employment evaluation decisions.

# Curriculum Program Administrator Program of Study

The CPA licensure requires a core of study in educational leadership and is designed to develop highly skilled expertise needed in successfully leading public schools in one of the five (5) areas of specialization.

# Curriculum Program Administrator

## Educational Leadership Core

- EDL 6103 Leadership in the Public Schools
- EDL 6223 Supervision and Educational Leadership
- EDL 6333 School Finance and Resource Management
- EDL 6453 Educational Law and Political Systems
- EDL 6623 Curriculum Strategies for Educational Leaders
- EDL 6533 Internship

# Areas of Specializations

- Special Education
- Gifted and Talented Education
- Career and Technical Education
- Content Area Specialist
- Curriculum Specialist

The candidate's advisor will be assigned from the area of specialization and will evaluate the candidate's transcript to determine required coursework from the area of specialization.

# CPA Portfolio Requirements

- Each candidate will maintain a professional portfolio.
- The candidate is responsible for aligning program artifacts to the Arkansas and ISLLC standards.
- The portfolio requires a minimum of two artifacts aligned to each standard with careful attention to documentation of skills in the area of specialization combined with the leadership core.

# CPA Portfolio Requirements

- Each portfolio is compiled in a format determined by the Educational Leadership Program faculty.
- The portfolio progress will be reviewed and updated at each meeting with the faculty advisor.
- The portfolio may be either electronic or hardcopy and the defense is a required a part of the exit evaluation.
