In the event of severe or inclement weather, Henderson State University will notify students, staff, faculty, and the area residents of closings in four ways:

1. The university's web page: www.hsu.edu;
2. Local and regional radio stations (KVRC AM 1240, KDEL FM HOT 100.9, and KIX FM 106.9 in Arkadelphia and KLAZ FM 106 in Hot Springs);
3. State television stations in Little Rock (ABC—Channel 7, NBC—Channel 4, CBS—Channel 11);
4. Recorded messages at the university's telephone number (870) 230-5000.

Academic and Student Services

ACADEMIC ADVISING

Students are assigned faculty advisors upon admission. Although students are responsible for completing degree requirements, advisors are available to support scholarly endeavors. Course registration takes place in the advisors' offices and requires interaction with students. Students should arrange to meet with their advisors during the registration period, typically during the advisors' office hours.

DEGREE APPLICATIONS

Candidates must contact the chairperson of the department in which they are majoring and minoring to have their academic records evaluated for compliance with degree requirements in their major and minor. This should be attained during the semester prior to the one in which the degree is to be awarded. Undergraduate applications are presented to the Office of the Registrar. Graduate applications are presented to the Graduate Office. Each candidate, undergraduate and graduate must make an application for a degree. Each must pay a graduation fee.

GRADUATION APPLICATION DEADLINE

Applications for graduation are due in the bookstore by the following dates:

March 1, 2011 is the deadline for May 2011 graduation

June 15, 2011 is the deadline for August 2011 graduation

October 1, 2011 is the deadline for December 2011 graduation

A late fee of \$25.00 will be charged for Graduate School graduation applications received after the deadline.

ACCESS TO RECORDS

An amendment to the General Education Provisions Act limits access to information contained in student's educational files to the student and to his/her family where appropriate, and to education authorities. However, directory information continues to be available to the public unless the student notifies the Office of the Vice President for Student Services no later than the end of the registration week of each semester or term that all or part of the directory information is not to be released without prior consent. Directory information includes the student's name and the name of parent, guardian, and/or spouse; dates of school attendance at HSU, campus and home address plus phone number; educational agencies and institutions attended; classification (number of hours completed); major field of study; marital status; date and place of birth; high school attended; membership in student organization; church affiliation; height and weight for athletic team members; and any degrees or awards received.

It is the policy of Henderson State University not to discriminate on the basis of race, color, national or ethnic origin, sex, religion, age, veteran status or handicap.

Grades Available Online

HSU is no longer mailing grade reports. Students will be able to access their grades via HSU's website at www.hsu.edu then select MyHenderson.

DISABILITY SERVICES

The Office of Disability Services is the designated office at Henderson that: 1) obtains and files disability-related documents, 2) certifies eligibility for services, 3) determines appropriate academic accommodations, and 4) develops plans for the provision of individual accommodations. The office is located in the Edwards House.

A.D.A. POLICY STATEMENT

Henderson State University, as an educational institution and as an employer, does not discriminate on the basis of disabled status. The University does not discriminate in admission or access to or treatment or employment in its programs and activities. This is a commitment made by the University and is in accordance with Section 504 of the Rehabilitation Act of 1973 and the A.D.A.
