January 14, 2022

Dear Members of the Campus Community,

Thank you for participating in our Campus Conversation yesterday. The meeting materials, including the modified cash budget pro forma, and a recording of the Zoom Webinar are now available online at <https://www.hsu.edu/futureofhenderson>.

This is the beginning of a conversation to restore financial strength and redefine student success at Henderson. Additional materials, including FAQs and process information for position management, will be shared soon. Please also look for invitations to additional Campus Conversations in the coming weeks.

We have a big challenge ahead of us as we look to implement a modified cash budget. Your thoughts and ideas are welcome and absolutely invaluable as we work to streamline costs and improve cash position. Please do not hesitate to contact me with ideas on how we can improve our financial health.

I have heard from so many of you who have dedicated years of service to this university and many more who have chosen to work at their Alma Mater, Henderson. I know how important this place and this community are to you. Please know that my job is to make the place that you love sustainable, and together we can make that happen.

Joining you in service,

Chuck Ambrose
Chancellor
