***It is strongly advised that anyone planning to teach social studies classes in Arkansas schools choose HIS4263, "Arkansas and the Southwest" as his or her elective United States history course. Successful completion of a three-hour course in Arkansas history is a state statutory licensure requirement for all Arkansas social studies teachers.**

NOTE

This minor is only available for students who are pursuing a Bachelor of Science in Education degree with a major in a field other than social sciences.

Also, all Henderson undergraduate students must complete at least one writing intensive (WI) course in the major to be eligible for graduation. Check your Henderson undergraduate catalogue to determine which courses are writing intensive. To review additional general requirements for graduation, see the "Academic Regulations" section of your undergraduate catalogue.

See catalog course descriptions for Arkansas Course Transfer System (ACTS) course number equivalencies.
