FINAL YEAR at BAPTIST

Upon application and acceptance into the program at Baptist Medical System School of Medical Technology the student will register for courses at both Baptist and Henderson State University. The tuition and fees at HSU will be waived but students will be responsible for the costs charge by Baptist. To register at HSU the student must contact Dr. John Long and request registration at Henderson. This is required to allow the student to receive a BS in Medical Technology from Henderson State University.
